#### CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

#### Belle Glade Road, **Conners Get Tread**

The old Belle Glade road (SR15) and five miles of Conners highway east from Canal Point will soon be retreaded, according to advices reaching County Commission Chairman Paul Rardin from the State Road Department in Talla-

ing the two projects at a regular bid letting of SRD in Tallahassee on August 30. The Old Belle Glade on August 30. The Old Belle Glade road job will start at the railroad crossing in Pahokee and run to the Hillsborough canal bridge in Belle Glade. The Conners highway job will start at the triangle in Canal Point and run east to the intersection of Muck City road.

The road department would not do these two jobs under the pri-mary system this year, despite the fact that both roads are federal highways, so the work was ordered by Commissioner Rardin out of secondary road funds over which the county commission has juris

#### 5,042 Persons Get State Welfare Aid

Thomas E. Penick, Chairman of District 10 Welfare Board of the State Department of Public Wel-fare, réported that in Palm Beach County 5,042 persons were assisted in the four categories of public assistance for the month of July.

assistance for the month of July.

A total of 1,721 persons received
Old Age Assistance in the amount
of \$87,737.00. \$4 persons received
Aid to the Blind, totaling \$5,181.00.
783 families, representing 2,389
children, received Aid to Dependent Children in the amount of \$48,877.00. 199 persons received Aid to the Disabled in the amount of \$11,388.00.

In addition 382 children received service during the month, 161 of whom were in foster homes. The total state and local cost for these child welfare services was \$11, 403.01.

There were 7 adoption petitions studied for the Circuit Court. The are children placed in home inde-pendent of service through a li-censed child placing agency, and the Welfare Board is responsible

the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the District 10 Welfare Board by the Rev. and Paul M. Cassen, Mrs. Helen R. Tedder, Mrs. Helen W. Woodward, West Palm Beach, and Mrs. Doris Sasser, Pahokee.

#### RELATIVES VISIT

Mr. and Mrs. J. D. Latham have as guests this week their son-in-law-and daughter, Mr. and Mrs. C. F. Gustafson, and family who re-cently returned to the States from Laos, Indo-China, where they made their home while he was stationed in that country by the Armed Forces. The Lathams also had as guests the first of the week their son-in-law and daughter, Mr. and Mrs. A. F. Hooks, and family of Clewiston and their son and daugh-ter-in-law, Mr. and Mrs. James Latham, of Cocoa.

#### Ladies Program Planned By Lions

Canal Point Lions at their week ly dinner meeting made plans for a ladies night program to be held in the Community Building at the Glades Park Monday, Aug. 15, with wives of the lions to be guests of honor. President P. A. Slonaker appointed J. G. Weeks chairman in charge of program arrangements. The necessity of clearing the summer growth of weeds from the public park in the pine grove at the Canal Point waterfront was dis-cussed. It was reported that half of the 10 picnic tables placed in the park by the Lions Club for enjoy ment by the public have been de stroyed through acts of vandalism

#### Visual Readiness Screenings Free

Free visual readiness screening for children entering school for the first time this fall will be conduct. ed this Friday, August 12. in the offices of any of the participating doctors, all members of the Florida East Coast Optometric Association, Dr. R. Dale Cline, president of the group, said today. The screenings will be wholly without charge and are intended to

who are to enter school this year are "visually ready for school. Dr. Cline said the "screenings"

will not be a full visual examina, tion, but will be sufficiently thor-ough to determine if a vision diffi-culty exists which might hamper thec hild in school.

Participating optometrists will conduct the screenings in their of-fices on Friday August 12, and parents may bring their children to the office at any time during office hours that day. No appointment is necessary and there is no charge This is a public service project of the Florda East Coast Optomet-rists Association whose members serve St. Lucie, Martin and Palm Beach Counties.

This pre-school screening pro-gram of the Florida East Coast Op-tometrists Association is the first such project tried in Florida. Re-sults will be carefully studied and submitted to the Florida Optome-tric Association in Tampa for consideration as a state-wide project. If results are favorable and the state group adopts a pre-school visual screening program, Florida would become the sixth state offering such aid to its future citizens.

Doctors participating in the Glades are listed below:

Pahokee: Dr. Richard C. Lane. Belle Glade: Dr. R. Y. Creech.

#### MISSIONARY SPEAKER

Dr. Hughlett, missionary to the Belgian Congo, will be guest speak-er at the morning worship service of the Canal Point Methodist Church Sunday, Aug. 14, at 11 a. m. Dr. Hughlett, who only recently returned to the States from Africa returned to the States from Africa will tell of some of his experiences in this newly independent nation whose acts of political instability have dominated the headlines of the world press for the past few weeks, according to the Rev. Robert A Shelley nester. The public is ert A. Shelley, pastor. The public is

In a deal comsummated this eek W. H. Vann, Inc., of Canal Point sold half of Section 10 nea Cardwell to John Tiedke of Winter Park. Price of the land per acre was \$440.00. T. W. Knight, Riviera Beach realtor made the transac-

#### Old Site Of Court **House Is Unplatted**

More than a half century ago, the Dade County courthouse was located in the northern end of Palm Beach County—it was situated on a plat that was filed in 1896.

This week the county commis-

This week the county commis-sion was called on to vacate the old plat to allow for further development of the area

The attorney representing the present owner of the land, said since the plat had been in existance no lots had been sold, no improve nt had been made on the erty—and the courthouse had moved.

Years ago. Dade County stretched across most of South Florida and seat of its government was located what is now the Seminole Golf Club. Later the county was split and Palm Beach County was organized in the northern sector of Dade.

As for the old plat, the commis sion agreed to call for a public hearing on the petition.

Miss Connie Singletary is a guest this week of her cour Hurst, at Thomasville, Ga.

### W. H. Vann, Inc., Sells County Roads Get Retread In Glades

County Commission Paul Rardin announced completion of retread jobs on several Glades roads this week and continuance of the work on others which will be completed next week.

Com. Rardin said the work was

Com. Hardin said the work was being done under his direction and out of the county general road and bridge fund. Among the projects was the black topping of the park-ing area at the Belle Glade Arm-ory and the newly county, built en-trance to the Belle Glade hospital.

Roads retreaded this week or to be finished next week, according to

Rardin, are: Duda Road Tabit Road (B. G. area) Palm Reach Road Hooker Highway (B. G. area) Wilder Road (Pahokee area) Hooker rugurus Wilder Road (Pahokee area) Ex. McClure Rd. (Pa. area) Sec. 20 Rd. (Pahokee area) Rock Pit Rd. (Pahokee area) Rock Pit Rd. (Pahokee area) Retread repair jobs area as fol-

#### Rubber Checks At An All-Time High

TALLAHASSEE—A dire predic-tion that Florida law enforcement authorities will be called on to investigate an estimated 2,505,000 | According to 2

was made today by Florida Sher-iffs Bureau Director Don McLeod, Figures obtained in a survey conducted by the Research Unit of the Florida Sheriffs Bureau show that almost 670 million checks with a value of over \$193 billion will be drawn on Florida banks during the current calendar year.

And of this staggering total, the Florida Sheriffs Bureau survey in-dicates that banks will, for a varicty of reasons, turn down an esti-mated 5,899,000 checks with a value of \$608,627,760.

Of the estimated 2,505,000 fraudulent checks that could call for investigation during 1960, the Florida Sheriffs Bureau survey shows that 30,000 will be forged signature checks with a value of \$1,-329,630; 211,000 checks valued at \$6,509,330 will be "no account"

checks; and another 4,538,000 ing their check-cashing proced-checks valued at \$385,170,010 will ures," said McLeod.

be "insufficient fund" checks.

Fortunately, the survey shows that when the greatest number of approximately 50 per cent of the checks in the "insufficient fund" category are made valid upon resubmission to banks and will need

investigate an estimated 2,505,000 fradulent checks with a value of more than \$200 million during 1960 the figures after conducting a surveys amade today by Florida Sherivey in May of banks serving a populffs Bureau Director Don McLeod, ulation of more than half a million Figures obtained in a survey people. Banks in Bay, Hillsborough, and the Research Unit of Jackson, Jefferson and Leon Countries and Countries of the Research Unit of Jackson, Jefferson and Leon Countries of the Research Unit of Jackson, Jefferson and Leon Countries of the Research Unit of Jackson, Jefferson and Leon Countries of the Research Unit of the Research Unit came up with the figures after conducting a survey in May of banks serving a population of more than half a million ties cooperated by furnishing com-plete statistics concerning their check cashing procedures. McLeod stated that statistics for the current calendar year are an exten-sion of figures obtained from co-operating banks.

operating banks.

"The Florida Sheriffs Bureau is making results of this survey available to all Florida law enforcement agencies to alert them to the seriousness of the fraudulent check problem," stated, the Bureau Director. Bureau Director.

"To cope with this m and costly problem, officers will have to exercise the greatest pos-sible resourcefulness, and merch-ants should cooperate by tighten-

McLeod warned that the period when the greatest number of worthless checks are passed is still to come since the trend is for 50 per cent of all bad checks passed in a year to occur during the period August through December. According to McLeod, the peak period oc-curs during the months of October, November and December when 35 per cent of the year's total is pass-

The Florida Sheriffs Bureau director called for continued cooperation between merchants and law enforcement authorities to curb the activity of the check passer in Flor-ida. He urged that merchants im-plement stricter check cashing pro-cedures in their respective establishments to curtail this costly criminal activity.

A Florida-based dairy is forming a new processing company in Gua-temala. Foremost Dairies Presi-dent Dr. Grover D. Turnbow said the new concern will be called Pastuerizadora Foremost Dairies of Guatemala.

# Here's what the new 33/4% interest rate on U.S. Savings Bonds means to you?

# $^{\$}3$ = $^{\$}4$ fourteen months faster than before

## The Bonds you own are better than ever, too

The new 3%% rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra ½% from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

#### More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remember, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

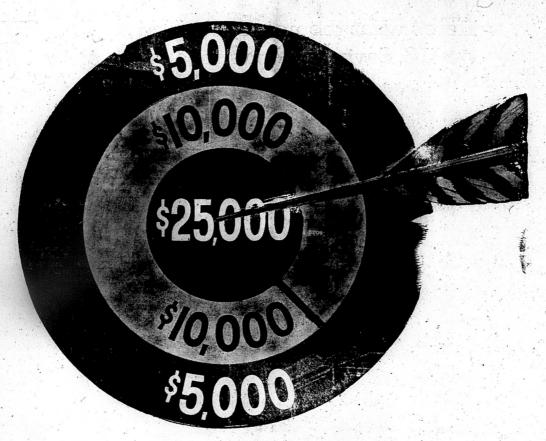

You save more than money

## with U.S. Savings Bonds

The Everglades News

## Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own Important savings targets like these cost money—a substantial -and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save sh week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your m go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest-3% compound ed semiannually when held to maturity (9 years and 8 months) -they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. Me absolutely safe and sure. Inve just \$7:50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

#### YOUTH WEEK The Pahokee First Baptist Chur-

The Panosee First Baptas Char-ch is, making preparations to ob-serve "Youth Week" Aug. 21-28. Members of the Intermediate and Young Peoples' Departments will be in charge of all church activi-ties during this period, according to the Rev. James E. Boyd.

Miss Helen Sheppard has returned to her home at Canal Point from Tallahassee where she attended eight weeks of summer school at

#### Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

stepped up its program for exten-sion of West Gate Ave., and instructed its legal department to enter suit to obtain needed right of way for the project.

or way for the project.

The extension is planned to serve as an access road to a new school in the area and the project has been delayed in an attempt to negotiate right of way settlements.

When the commission secures its order of taking for the right of way, the project can be completed n a short time.

In other actions on county roads s week, the commission received olutions to be forwarded to the state road department, seeking four laping of 2.2 miles of State Road 15 in the Glades and four

Blue Heron Blyd., in Riviera Beach.

Commissioner Kenneth Foster sought to have the Blue Heron pro ject done with secondary road funds, but his motion died for a lack of a second. Foster said the project has already been turned down by the state as a primary road road project.

The board also agreed to hold up The board also agreed to hold up construction of a road between Prosperity Farm Road and the In-land Waterway for 30 days while land owners file suit to clear title to the right of way.

Walter Puckett and Ted Brown o the Jr., were named as appraisers for right of way needed for building State new approaches to Flagler Mefour morial Bridge in West Palm Beach.

BURAL CIVIL DEFENSE meeting County, Ind., takes place in the Prair fire hall at Mt. Summit, Ind. Speaker Wolf, the county civil defense direct held similar meetings throughout the rt D.

PARTY LINE for the nuclear age is this two-way radio, one of four control units in a radio warning network operated by the Henry County, Ind., civil defense organization. There are some 30 other units in the network, which exists primarily to warn the county's remotest rural population of fornadoes or nuclear attack. Residents of towns and cities would get the warning from siren systems.

## Rural CD Active 'In the Field'

Residents of rural America's 5,000,000 farms are being urged by civil defense officials to plan now for their safety from nuclear attack as they consider ordinary hazards during Farm Safety Week, July 24-30.

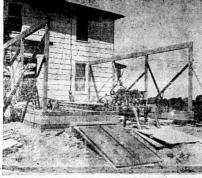

Leo A. Hoegh, director of the Office of Civil and Defense Mobilization, points out that "the safety of the nation depends upon our farmers being prepared not only to reduce their human and property losses through accidents. They also should take the necessary steps to insure that if an

enemy ever attacks us with nu-clear, biological, or chemical weapons, our farmer would know how to survive, recover, and produce the food and other products upon which victory would depend."

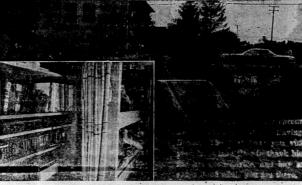

A broad rural public informa-tion program is now underway in 3,000 counties, It stresses the relatively simple methods by which people can develop their own self-protection against the fallout hazard of a nuclear at-tack—the principal threat to peo-ple who live in rural areas.

Family failout shelters are as is. When built by contractors, urged as the least expensive and the cost ranges from \$500.00 upmost effective means of a saving the greatest number of people from a nuclear attack. Shelters would be highly effective to protect families against tornadoes. All shelters should be equipped with a two-week supply of foot and water, a battery radio, first aid kit, flashlights, bedding and other survival items, according Family failout shelters cost and the survival items, according and also is effective for shield as little as \$150.00 when constructed on a do-it-yourself basing the saving the cost ranges from \$500.00 up to Detailed information on shelters, treatment of fallout-contaminated sols, what fallout-contaminated foods could be eaten matched the saving the cost ranges from \$500.00 up to Detailed information on shelters, treatment of fallout-contaminated foods could be eaten matched the saving the sav

OUAL PURPOSE fallout shelter and carport-patio is shown under construction at the farm of John Holden near Hickory Corners, Mich. The shelter, to be used also for food storage, cost \$5,200, With the carport and patic now being added, the cost totaled \$2,300, Holden's family of three, and eight neighbors, cave the shelter a realistic workout recently when a small orwards struck near-by. # 3/4% interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new 33/4% interest rate benefit me?

4: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

with Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to 2½% for the first year and a half; then a guaranteed 4% each year to maturity.

- Q: When did the new rate become effective?
- A: June 1, 1959.
- Q: Does the new rate change the Bonds I bought be-
- fore June 1, 1959?

  A: All older E and H Bonds pay more now—an extra

  #% from now on, when held to maturity. The increase takes effect in the first full interest period after June 1
- Q: Will the Bonds I own automatically earn their new rate?
- Yes. You don't need to do a thing—just hold on to your Bonds.
- Q: When my E Bonds mature, will they keep on earning interest?
- A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E-Bonds will automatically keep earn-ing interest after maturity.
- Q: With the new interest rate, should I cash in my old Bonds and buy new ones?
- As No. The automatic 14% increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

  Bloom as essees H Bonds different from series E Bonds?
- is The chief difference is this: You buy H Bonds at fall face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

- Q: In what denominations can I buy series E and series
- A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$15.0.00), \$500 (cost \$15.0.00), \$500 (cost \$75.0.00), \$10,000 (cost \$7,50.00), \$10,000 (cost \$7,50.00), \$10,000 (cost \$7,50.00), \$500, \$10,000, \$500 and \$10,000. They are priced at face value.

- Q: How safe are U.S. Savings Bonds?
- A: Sayings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it
- Q: What if my Bonds should be lost, stolen or de-
- A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.
- Q: Where can I buy Bonds?
- Q: Where can I buy Bonds?

  At Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll. Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.
- Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?
- A: Peace costs money—money for military strength and for acience. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH
